

**COLORS:**

NAVY

synthetic materials:

Nylon, spandex, polyester and other synthetic materials are strictly prohibited from being used when there is a threat of flames or electric arc. These materials have a fast burn rate, which means once they ignite the flame front spreads very quickly. A burning synthetic material will melt and form droplets of molten material. In contrast, Benchmark FR material does not support combustion and will not melt or drip. Benchmark FR material will automatically extinguish after the ignition source has been removed.

Style # 4017FRBenchmark FR Twill, 5.5oz.
XS S M L XL 2XL 3XL**PERFORMANCE**

- Flame Resistant for Life
- Self Extinguishing
- Durable, Ring Spun Twill
- HRC 1
- ATPV = 6 cal/cm²

COMPLIANCE

- NFPA 70e
- OSHA 1910
- ASTM 1506
- ASTM 1959
- NESC 2007
- NFPA 2112 Tested

FEATURES

- Quick Release Closures
- Elastic Waist
- Seven Pockets
- Pass-thrus
- Back Gussets
- Home & Industrial Wash Safe

BENEFITS

- Lightweight & Breathable
- Reduces Heat Exhaustion
- Generous Fit
- Reduced Size Combinations
- Ideal for Multi-layering
- Safe to Wear Against Skin

ADD ON

- Name Patch
- Company Patch
- Front Zipper Retrofit
- Custom Hem
- Leg Zippers
- Screen Print
